SAVVY SAVERS

Park agent Kerry Blackett, 42, from Doncaster, knows how to take the sting out of festive spending

Quids in at Christmas

Eleven years ago, I found an easy way to treat the family without breaking the bank. I started putting aside money with Park Christmas Savings, which meant I had a Christmas fund to buy all my presents.

It took all the stress out of Christmas, so I told family and friends and soon went from being a customer to an agent. I help around 100 customers now – most of them have been with me for years.

When I send out their vouchers and gift cards, they can treat the family, without worrying about money – they say getting the vouchers is a godsend.

In 2020, I was Park's top UK agent, so I got a bonus of £1,500,

which was a great reward for doing something I love.

Get planning now

You can join Park any time, but January is the best time to get your finances off to a fresh start. Set your budget to suit you. A little each week soon adds up – £10 a week over 40 weeks between now and November will give you £400 in gift cards or vouchers, which you'll receive in time to do all your 2022 Christmas shopping – and even take advantage of Black Friday. You can track your payments on the Park app or your online account.

EVERYONE'S A WINNER

If you refer a friend to Park, you'll both get £10 in your accounts.**

*10% charge applies
**Subject to referee minimum spend of £25

Spending power

Choose from e-gift cards from the likes of Primark or JD Sports, which make brilliant gifts. Supermarket vouchers are great for all your festive food and drink.

Or stash your cash on a popular Love2shop gift card, so you can buy presents from high street retailers, such as Argos, Matalan and TK Maxx. Plus the Your Choice card* can be used anywhere that accepts Mastercard, including amazon.co.uk.

Feel-good finances

Park is completely flexible – you decide how much you pay and when, whether it's by direct debit or standing order, online, by phone, PayPoint or post. Pay in over £1,500 and you'll be eligible for commission rewards of up to 3.5%.

Save now, spend later

Park has been helping customers have a stress-free Christmas for 50 years. To join the savings club online, simply visit getpark.co.uk or call 03457 678933.
