3 easy ways to...

Make Christmas 2022 the best ever for family and friends

1 GET PLANNING NOW

Decide what you'd like to save – or spend – next Christmas, then set your budget to suit you. A little each week soon adds up... £10 a week over 40 weeks between now and November will give you £400 in gift cards or vouchers, which you'll receive in time to do all your Christmas shopping – and even take advantage of Black Friday. You can keep track via the Park app or your online account.

2 BRILLIANT CHOICES

You can take your pick from a wide range of gift cards and vouchers. Examples include the Love2shop gift card, which is ideal for high street retailers,

such as Argos, River Island and TK Maxx; e-gift cards for retailers such as Sainsbury's, Primark, Asos and JD Sports; or the Your Choice card* which you can use anywhere that accepts Mastercard.

3 FEEL-GOOD FINANCES

Park is completely flexible – you're in control of how much you pay and when, whether it's by direct debit or standing order, online, by phone, PayPoint or post. If you refer a friend, you'll both get £10 in your accounts.** Pay in over £1,500 and you'll be eligible for commission rewards of up to 3.5%.

*10% charge applies. **Subject to referee minimum spend of £25

Savvy saving

Eleven years ago, I found an easy way to enjoy Christmas without breaking the bank. I started putting aside money with Park Christmas Savings, which meant I had a Christmas fund to buy all of my presents.

It took the stress out of the festive season, so I told my family and friends, and soon went from being a customer to an agent. I help around 100 customers now – most of them have been with me for years. When I send out their vouchers and gift cards, they're so pleased and excited. It means they can treat the family, without worrying about money.

In 2020, I was Park's top UK agent, so I was given a bonus of £1,500 – which was a great reward for doing something I love.
