Stress-free Xmas

Super saver

When Wendy McSeveney, 40, from Stafford, joined Park, she was able to treat her family to

the Christmas they deserve

With three kids, I've found it brilliant putting something away for Christmas – there's no stress and no debts. I started out as a customer with Park Christmas Savings, setting aside money for gift cards and vouchers, and now I'm an agent.

I have over 20 customers – some are family and friends or come to me through word of mouth. I love it because it takes the pressure off Christmas for me and all my customers.

In 2020, that was especially valuable – COVID created lots of

job losses, so people were really relieved they'd planned ahead and nobody had to go without at Christmas.

It's so easy to set up and really flexible, too – people can pay as much or as little as they like, depending on their budget. And if they need to change the amount they pay, that's fine, too.

I have a full-time job in customer services, so being a Park agent is something I fit into my schedule when I can. I keep in touch with all my customers through

Facebook. If anyone's got any questions, I'll answer them through voice notes in Messenger – it's nice to hear a voice, I think.

In my first year, I paid in £20,000 worth of orders; in 2020 it was £27,000, and last year it was £30,000. On top of

commission, I won a Top Newcomer award last year of £450.

It was a lovely surprise and meant I was able to buy a new dishwasher when the old one broke.

But best of all, knowing I've helped other people give their families a nice Christmas is a great feeling.

Choose from e-gift cards from the likes of Primark, M&S and JD Sports, which make brilliant presents. Supermarket vouchers are great for all your festive food and drink.

Or stash your cash on a popular Love2shop gift card, so you can buy presents from high street retailers, such as Argos, Matalan and TK Maxx.

Plus the Your Choice card** can be used anywhere that accepts Mastercard, including amazon.co.uk.
